

**ITEC632 – Data Mining Technique and Application**

**Semester 2, 2025**

**Assessment 2**

**An Analytical Investigation into the Physicochemical Drivers  
of White Wine Quality**

**Submitted By**

**Syarifah Haninah**

**S00394184**

# Table of Contents

**I. Introduction..... 1**

**II. Exploratory Data Analysis of White Wine Composition..... 1**

**III. Predictive Modelling of Wine Quality via Linear Regression.....4**

**IV. Ethical Perspectives on Predictive Quality Modelling.....6**

**V. Conclusion..... 9**

**References.....10**

**Apendix..... 11**
